Give me joy in my heart; keep me praising;
keep me praising till the break of day.

Message: On Not Losing Our Saltiness

Open Worship

(Listen in silence for the voice of The Divine. If moved to speak, sing, or read, please go to the podium so everyone can hear your message. Silence is also a message.)

Are all Hearts and Minds clear?

(when the question is asked, if you are still in prayer about something or you have something you are led to say, you can shake your head "no" and we will wait for your prayer time to be completed, and we will continue to pray with you in the meantime)

Joys and Concerns

We will break for a moment of silence to give thought to the ongoing wars and divisiveness in our world before Leigh will close us in prayer.

Closing Prayer

All Are Welcome Here

Because we believe each person represents an image of the Divine and welcome the light that each individual brings, we open our doors to everyone. We encourage full participation by all in the life of our meeting. We recognize one another as equal travelers on the journey, seeking always to celebrate our joys and share our struggles together. May we create and tend an ethic of respect, reverence, safety, and listening. May we delight in our differences.
